## On Campus Learning

---

The administration of Central Christian Academy is preparing for on campus school operations to resume in the fall of 2020. CCA will follow specific health precautions which will be in accordance with our local, state, and federal requirements to the best of our ability. Specific decisions regarding on campus modifications will be finalized over the next few months.

The standard drop-off and pick-up times will *likely* remain the same. Parents will *likely* be asked to not walk their child(ren) into school building, but to remain in their vehicles and use the drop-off and pick-up lines only

## Preparing for Interruptions

Following the recommendations from our re-entry task force committee and trends from past pandemics, CCA is preparing for waves of interruption to on campus learning. In the event our local community experiences a spike in COVID-19 cases and an interruption of physical operations occurs, a shift to CCA Mobile will happen immediately.

## CCA Mobile (Blended Learning)

CCA Mobile does not change our mission of assisting parents equipping their children to be balanced citizens prepared to impact their homes, churches, and communities for Christ. In this model, we continue to educate the whole child, encourage pursuit of individual passions, promote life balance, and build confidence. CCA Mobile blends daily synchronous (live) instruction with asynchronous (accessible anytime) instruction with a schedule intentionally designed to provide school/life balance, purposefulness, and daily reading.

## Digital Platforms

---

Some teachers and students received a crash course in Google Classroom during the COVID-19 pandemic. This platform will continue to be used by students in all grades. All class assignments, videos, and announcements will be housed in Google Classroom.

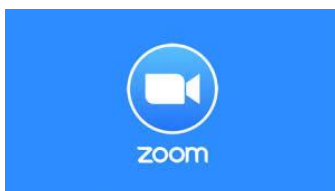

For students in Pre-K classes - 2nd grade, SeeSaw will most likely be your online platform for viewing video lessons and uploading your student's documentation of work (pictures, videos, etc). Questions about SeeSaw should be directed to your child's teacher.

Google Meet

This platform may be used in the event that CCA Mobile is used on a school-wide scale again. Google Meets can be joined directly from the calendar invite sent from your teacher.

Zoom is a video conferencing platform that can be used to provide synchronous virtual class meeting space similar to Google Meet.

## Physical Safety

While specific decisions and plans will be finalized over the next few months as more information and updated public health guidelines are issued, strategies are being developed in the following areas including but not limited to:

Temperature checks may be required for students, faculty, staff, and vendors

HAND WASHING

Sanitizing and cleaning processes

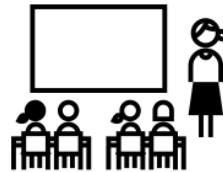

Institution of capacity limits to allow for social distancing in spaces such as the chapel room, gym, etc.

Changes to campus access for visitors and parents

Modification of programs and events in compliance with limits on crowd sizes and social distancing measures

Temporary expansion of classrooms to allow for social distancing

Continued use of online and virtual platforms in conjunction with in-person services to keep in-person contact at safer levels in the areas of Academic instruction, student activities and more

Pedestrian traffic flow signage posted on campus
